

The City of Minneola is looking for interested citizens to get involved as volunteers with the City's Code Enforcement Board. The Code Enforcement Board is a seven member, quasi-judicial board. It is comprised of residents of the community, appointed by the City Council, to serve in the capacity of board member. Board members will meet the third (3rd) Monday of the month, as needed, to hear cases regarding violations of City ordinances and the City's land development code. Cases are presented by the Code Enforcement staff and the board will hear evidence and testimony to render a decision on cases.

If you are interested in becoming involved within your community and would like to be considered for appointment to the Code Enforcement Board, please contact Ramon A. Flores at 352-394-3598 ext. 242.
