

**AGENDA SUMMARY
MINNEOLA CITY COUNCIL**

May 17, 2011

AGENDA ITEM TAB: 3

SUBJECT TITLE: Temporary Waste Water Operator Position

OBJECTIVE: To hire a temporary **Licensed** Wastewater Operator to fill in on an “as-needed” basis for our current Lead Operator to be able to utilize his vacation time and/or sick leave as needed.

SUMMARY: The current Lead Operator on staff has been unable to take vacation time or a sick day since the previous operator resigned and the position was reclassified to a “trainee” position. As the only licensed operator he is required to be “on-call” 24/7 in case of an emergency on the plant. As a “dual” licensed operator he also serves as back up to our Lead Water Operator and is required to work 10 hour days when the water operator takes vacation. FDEP requires that the City have adequate staffing for the Wastewater Plant at all times.
