

ASBESTOS ABATEMENT - Disclosure Statement

State law requires asbestos abatement to be done by licensed contractors. You have applied for a permit under an exemption to that law. The exemption allows you, as the owner of your property, to act as your own asbestos abatement contractor even though you do not have a license. You must supervise the construction yourself. You may move, remove or dispose of asbestos-containing materials on a residential building where you occupy the building and the building is not for sale or lease, or the building is a farm outbuilding on your property. If you sell or lease such a building within 1 year after the asbestos abatement is complete, the law will presume that you intended to sell or lease the property at the time the work was done, which is a violation of this exemption. You may not hire an unlicensed person as your contractor. Your work must be done according to all local, state and federal laws and regulations which apply to asbestos abatement projects. It is your responsibility to make sure that people employed by you have licenses required by state law and by county or municipal licensing ordinances. It is the owner's or operator's responsibility to comply with the provisions of s. 469.003 Florida Statutes and to notify the Department of Environmental Protection of her or his intentions to remove asbestos, when applicable, in accordance with state and federal law.

ADDITIONAL PERMITS MAY BE REQUIRED

In addition to the other requirements of this permit, there may be additional restrictions to this property that may be found in the public records of this county, and there may be additional permits required from other governmental entities such as water management districts, state agencies, or federal agencies. F.S. 553.79(10).

I have read this notification and by my signature agree to comply as stated and promise in good faith to deliver this statement to the person whose property is subject to attachment. Under penalty of perjury, I hereby certify, by my signature, that all statements made on this application are true and correct and that no construction has begun, except as otherwise has been disclosed, before the permit for this work has been issued.

THERE SHALL BE NO INSPECTIONS WITHOUT FULL COMPLIANCE!

TO QUALIFY FOR EXEMPTION UNDER ANY OF THE FOLLOWING SUBSECTIONS, AN OWNER MUST PERSONALLY APPEAR AND SIGN THE BUILDING PERMIT APPLICATION. A POWER OF ATTORNEY CANNOT BE ACCEPTED.
