City of Minneola
Tree Removal Permit Application Cont.

Should it be determined during inspection the property does not have the required number of trees per City's code, Sec. 110-5(b), replacement will be necessary. Replacement must be done within 180 days of the expiration date of the application.

Residential lots 10,000 sq. ft. or less are required to have 2 canopy trees and 1 understory tree.

Residential lots greater than 10,000 sq. ft. are required to have 3 canopy trees and 1 understory tree.

An additional canopy tree is required for each 6,000 sq. ft. above 10,000 sq. ft.

Replacement of trees removed with a permit is 25% DBH (Diameter at Breast Height) of removed tree(s).

Replacement of trees removed without a permit is 50% DBH of removed tree(s).

Minimum height of canopy trees shall be 8 ft. w/ a 3 inch caliper (diameter) at 6 inch height above grade.

Minimum height of understory trees shall be 8 ft. w/ a 2 inch caliper (diameter) at 6 inch height above grade.

Property Owner: _____

Address: _____

Required Replacement Trees:

Number of Canopy(s): _____ Number of Understory(s): _____
