Site Plan Application

Application Review Process

Development Review Process (DRP)

- An application package which has been determined complete by the Planning Department (Dept) will be forwarded to the DRP reviewers
- All applications shall be reviewed monthly by the DRP reviewers and comments shall be discussed at the next meeting if required.
- Formal comments of the DRP reviewers shall be transmitted in writing to the applicant

Planning and Zoning Commission (P&Z)

- A P&Z review is required by the City Code

City Council

- The City Council will hold a public meeting regarding the subject project
- The City Council may (1) defer the project, (2) deny the project, (3) approve the project subject to conditions, or (4) approve the project
- An approved site plan automatically expires if actual construction has not commenced in 365 days of approval
- Major modifications to an approved site plan must follow the same process as the original plan

Reservation of water and sewer capacity may be done only after a Development Order has been issued [subsection 90-5(d)]

For additional information on the site plan process, see Chapter 122, Section 41, Site Development Submittal Requirements, of the City of Minneola Land Development Regulations.
