Department Overview: Minneola Fire Department provides non-transport ALS response to over 2000 calls annually. Our family-oriented team of 20 strong, proudly serves the citizens of Minneola and surrounding areas with skill and compassion over 24/48 shifts. Covering over 11 square miles in our first-due area, the four-man ALS engine is housed in one station located off U.S. Hwy 27. With the approved future growth of over 10,000 homes, 3 million square feet of commercial property, and 1 million square feet of industrial property, the Minneola Fire Department is planned to expand to three ALS stations over the next few years. This expansion creates an amazing opportunity for professional growth and promotion, facilitated by educational opportunities supported by the City and the department.
